

DATA OVERVIEW

ATLAS™

NEXT LEVEL

PRECISION

UP TO **97%**

Better TCP (tool center point) repeatability after a neck change

UP TO **87%**

Better TCP (tool center point) repeatability after a consumable change

DURABILITY

UP TO **3X**

- Stronger neck than previous generation
- More resistant to cable fatigue

UP TO **300%**

Cable life increase than previous generation

INSTALLATION & MAINTENANCE

UP TO **80%**

Faster installation than leading competitive torches

50%
Fewer steps to install

65%
Fewer parts

59%
Fewer fasteners

40%
Fewer tools required

THAN PREVIOUS GENERATION THRUARM TORCH

DESIGN

0

Bolts dropped

0

Discs stripped

0

Incorrect neck replacements

HIT YOUR MARK.
BERNARDTREGASKISS.COM

All data was gathered through controlled lab testing and compared against the current top-selling ThruArm torches. Results are intended as a performance reference under consistent conditions and may differ slightly in real-world use.
